

- Reviewed google docs and services. – Rob L
  - Using google drive to share documents.
  - Can use it to concurrently collaborate on minutes.
  - Google groups for security as well as replacement for list-serves.
- Action Item - Please bring a laptop to future meetings in order to create these collaborative notes.
- iPad rental programs – Rob L
  - Geneseo is going out to RFP on Bookstore (possible self-op)
  - Talking with Apple about an iPad rental program
  - Why rent? Geneseo trying to promote digital textbooks.
    - Currently working with departments that have digital textbooks available, started pilot with the School of Education.
    - The object would be to reduce cost to students and drive revenue to the Auxiliary.
    - There is a school that is required to have a MacBook and an iPad. (rent to own iPad) Turn it in in senior year for a new one which they then keep.
    - Is there an option for other platforms? Windows?
  - Who publishes books?
  - Books can be set to expired and some pages may have special rights.
  - Morrisville did provide iPad Minis this year, using limited warranty provided by Apple.
    - Rent to own
    - Mandatory by major and paid for by the student
    - For iPad there are strict requirements
  - Hardware, platform and data type need to be device agnostic.
  - “SUNY Open” program
  - Currently no standardization
- Bookstore POS (Rob L)
  - Darrin has knowledge of Bookstore POS systems
- CBORD buying power (Rob Klish)
  - Can we have the SUNY Auxiliary services share one system?
  - Add QRS (TASQ, IDcardsavings.com) info here for generic Micros equipment and repair.
- Spam on campus
  - What are people doing?
  - Discussed alerting users.
    - Send messages to users.
  - Brockport and Geneseo use Google Apps for business and is seeing phishing emails getting through.
  - Attacks appear to be spiking.
  - Fire engine red is being blocked as a mass email.
    - Hotmail is noted as blocking, response was to change individual user settings.
  - Legitimate email may be blocked. Is anyone receiving a SPAM report to see if messages are being block? Not really, this is a challenge.
- Is anyone using Office 365 with their email?
  - Rob Klish waiting for quote
- Windows 8.1

- You can install “Classic Shell” for free to give you win 7 style menu. (Robert LaPlaca)
- Some people rolling out 8.1
- Side Note: WDS and Windows MDT to image computers - 30 workstations in 5 days
- Security Cameras
  - Geneseo in general has a policy not to install cameras
  - Morrisville has a problem with the standardization of camera systems.
    - Searching for a new standard package.
    - Using IP Configure
    - testing Genetec
  - UB is using Milestone.
    - IP based system, can access multiple server clusters.
    - Offers a mobile client
- PCI
  - What is coming?
  - MBS- Point to point encryption? How do you make MBS compliant?
    - Currently using external readers but the CHD is still through the server.
    - No solution currently. Using Paymetrics, no viable solution.
- Food Trucks POS
  - Geneseo - blackboard with wireless bridge and Verizon MiFi card.
    - Consider running power from a building vs the generator.
- Online ordering
  - Tapingo? - can it be integrated
    - IP printers
  - Sequoia may have a solution.
  - GET Food - Morrisville and UB is looking at GET food if it integrates into Micros
- Restaurant Technology
  - Morrisville – Looking at Mstation for order taking.
  - Oneonta using iPad to take orders tableside in food lab. 3700
  - Aptito has a system does not have integration with Micros
- Credit Cards in vending machines
  - Morrisville taking over vending for 5 campuses (SUNY ESF)
    - Cellular based credit cards
    - Testing Dual use readers credit cards and campus card.
  - Credit card fees may be absorbed by the vendor.
  - How do you absorb the credit card fees on a small purchase?
  - <http://myubcard.com/selfie>
    - live url will be <http://sendusyourselfie.com>
    - Possibly will be available for use by other Universities as a landing page.
- Moving systems
  - Binghamton and Cobleskill Looking at to CardSmith
    - Cobleskill is CBORD
    - Binghamton is Blackboard
- SUNY Big Buy - Look at the NYS OGS Site
